

Why Choose MissionInsite?

MissionInsite is the best resource for the study of church contextual information that I have ever experienced. These materials can be vital to church development, mission outreach, and the empowerment of congregations within their communities. The ease of use and the comprehensive scope of the data is remarkable!

Rev. Phil Leftwich
Executive Presbyter, Presbytery of Middle Tennessee, PCUSA

How-to: MissionInsite Registration

Open an internet browser such as Internet Explorer or Firefox and go to the MissionInsite website at www.missioninsite.com

Begin your orientation by clicking on the Resources/Client & User Support tab www.missioninsite.com/resources.shtml.

View the Local Church Getting Started Tutorial. After you view the Tutorial you need to download the Introductory Local Church User Guide and MI Demographic Segments Guide. The User Guide will provide additional assistance in navigating the study areas and the MI Demographic Segments Guide provides the descriptions of the MI Demographic Segments. These will prepare you for accessing the extensive information available to you.

Click on the "Client Login" tab on the top right of your screen. On the left side of the page you will find the "Church User Registration" area. Choose "[Click here to Register with MissionInsite.](#)" A new dialogue box will appear asking for your Agency Account Number.

Client Login

Church User Registration

If your regional agency is a client of MissionInsite, you can register here to gain access. You will need the agency's account number. If you do not have the account number, you will need to contact your agency.
